Press Release

D3Logic Inc. Partners with Pitney Bowes Presort Services to Deliver Innovative Mail Communications Solutions

EAST PROVIDENCE, RI, — October 10, 2014 - D3Logic, Inc. a multi-channel communications service and business process outsourcing company has entered into an agreement with Pitney Bowes Presort Services. The integration of customer service, transportation and mail sorting services will help to enhance the delivery of mail communications for D3 clients based in Southern New England. D3 will continue to provide processing, customer service, and transportation services for its client base.

“This is win-win for all parties. D3 will continue to pick up mail and service our own clients,” stated Ralph DelMonico, President of D3, Inc. “In a Business Process Outsource (BPO) industry that has become widely competitive and requires more products and services at a faster and more efficient turnaround rate, D3Logic has taken the necessary steps to adopt increased innovative strategies.”

In addition, “D3Logic is extremely pleased and privileged to be collaborating with a progressive organization such as Pitney Bowes Presort Services. Their technology, senior leadership team and programs are second to none in the industry. This will provide superior quality and additional value to our customers, and with Pitney Bowes as a partner, we will be able to increase efficiency in fulfilling projects from start to finish for all of our markets served.”
